

## Pink Belts to “Kick” Breast Cancer

October is Breast Cancer awareness month. Just like previous years we would genuinely appreciate your support of a local organization that supports families dealing with this devastating illness.

### Last year we raised \$1000!

We would like YOU to be a part of “KICKING” Breast cancer here at Kaizen Academy!

We have a supply of pink belts. Here is how it will work:

- Current students “rent” a pink belt for \$20. Make your tax-deductible check out to the **NH Breast Cancer Coalition**. **If you still train and have last year’s belt we would appreciate a \$20 donation in-kind to the NHBBC. We can trade if you need a different size.**
- [All proceeds will go to support the NH Breast Cancer Coalition](#)
- **New students** will train for the month of October at our dojo in Raymond when they wear their pink belt!
- Purchase a belt for a friend you think might enjoy training as a gift!
- **Anyone from outside our dojo is welcome to try training for a month!**
- New students can upgrade (but not required) for a nominal \$20 charge for children (size 000-2) and \$35 for teen/adults (sizes 3 and up) to the junior/teen 6-week trial including uniform
